INTERIOR PAINTING WORK

SCOPE & GENERAL CONDITIONS

Our Price Includes:

- Thorough protection of floors, cabinets, railings
- Removal and reinstallation of any wall plates or wall hardware as needed
- Repairs of minor surface imperfections and caulking of trim gaps, as required (~1h per space)
- Primer on bare substrates, and 2 coats of high-end paint on all designated surfaces
- Thorough preparation on all wooden trim incl. cleaning + priming with ultra adherent primer
- Thorough preparation on leaded glass windows incl. scraping of loose paint & mastic , resurfacing, priming, and caulking
- Final clean up at the end of the work

General Conditions

- The space is expected to be vacant and free of furniture during the work
- Our quote excludes repairs – surfaces are presumed to have been plastered, sanded, and cleaned beforehand
- Previously painted surfaces are presumed to be latex-based; oil-based surfaces would require an additional priming coat
