DESCRIPTION OF WORK

HOME EXTERIOR REFRESH

OUR PRICE INCLUDES

- Thorough preparation work, including primer where needed, and 2 coats of paint on all agreed upon surfaces
- Preparation work includes scraping of flaking paint, cleaning, priming, and caulking — as required
- Clean up at the end of each day, leaving your living space clean
- Protection and safeguarding your property from construction damage
- A clean and respectful working environment to make the work period as smooth as possible for you
- The present quote excludes all windows, unless specified
- Potential wood repairs are excluded from the quote and will be charged at 65 $/h plus taxes and materials.

Given the nature of the exterior renovation work and the difficulty in estimating high-reach areas, please note that this is a realistic cost estimate, not a fixed price. The work will be charged based on the actual preparation time required for the work.
